**GENERAL DESCRIPTION**

Performs complex (journey-level) consultative services and technical assistance work. Work involves planning, developing, and implementing an agency program and providing consultative services and technical assistance to program staff, government agencies, community organizations, or the general public. May provide guidance to others. Works under general supervision, with moderate latitude for the use of initiative and independent judgment.

**DISTINGUISHING CHARACTERISTICS**

The Program Specialist job classification series should only be used if there is no occupationally specific job classification available within the State’s Position Classification Plan that would be a good fit for the majority of work being performed. Employees in this series should not have supervisory responsibilities; however, senior levels may train, lead, assign, and/or prioritize the work of others, which may include serving in a team lead capacity. The Program Supervisor job classification series was designed to address employees performing work similar to the Program Specialist job classification series but who have the additional responsibility of supervising employees working in an agency program or multiple programs.

**EXAMPLES OF WORK PERFORMED**
