**GENERAL DESCRIPTION**

Performs advanced (senior-level) administrative and supervisory program work. Work involves establishing program goals and objectives; developing program guidelines, procedures, and policies; developing schedules, priorities, and standards for achieving program goals; monitoring and evaluating program activities; developing and evaluating budget requests; and coordinating program activities. Supervises the work of others. Works under limited supervision, with considerable latitude for the use of initiative and independent judgment.

**DISTINGUISHING CHARACTERISTICS**

The Program Supervisor job classification series is intended for those employees who are typically considered first-line supervisors and assume responsibility for, and participate in, the work of an assigned agency program. Distinction within the levels depends on a variety of factors including 1) complexity of the program, 2) size and type of workforce supervised, 3) level of education and experience needed to perform the work, and/or 4) supervising the daily operations of more than one program.

**EXAMPLES OF WORK PERFORMED**

Supervises the work of staff within a program area and provides training and technical assistance in the program area.

Oversees the preparation of program management and productivity reports and studies.

Oversees special investigations, program analyses, and research studies.

Oversees and participates in the planning, organization, and coordination of assigned activities and operations of a major program area.

Oversees the preparation of and evaluates program budget requests.

Oversees the development and implementation of program guidelines, procedures, and policies; and monitors compliance with policies and procedures.
Establishes program goals and objectives; develops and approves schedules, priorities, and standards for achieving goals; and oversees program evaluation activities.

Plans, implements, coordinates, monitors, and evaluates programs, which may include multiple programs.

Develops and implements techniques for evaluating programs.

May prepare and conduct seminars and presentations about assigned program area(s) for citizens, clients, staff, management, or elected officials.

Performs related work as assigned.

**GENERAL QUALIFICATION GUIDELINES**

**EXPERIENCE AND EDUCATION**

Experience in the administration of a program relevant to the assignment. Graduation from an accredited four-year college or university with major course work in a field relevant to the assignment is generally preferred. Experience and education may be substituted for one another.

**KNOWLEDGE, SKILLS, AND ABILITIES**

Knowledge of local, state, and federal laws related to the program area; of public administration and management techniques; of statistical analysis processes; of budget processes; of research techniques; of training and marketing techniques; and of program management processes and techniques.

Skill in identifying measures or indicators of program and staff performance and in the use of a computer and applicable software.

Ability to gather, assemble, correlate, and analyze facts; to establish goals and objectives; to devise solutions to administrative problems; to develop, evaluate, and interpret administrative policies and procedures; and to supervise the work of others.

**REGISTRATION, CERTIFICATION, OR LICENSURE**

May require registration, certification, or licensure in a specialty area.
