GENERAL DESCRIPTION

Performs complex (journey-level) marketing work. Work involves compiling and disseminating marketing information and data. Works under general supervision, with moderate latitude for the use of initiative and independent judgment.

EXAMPLES OF WORK PERFORMED

Conducts and analyzes surveys and studies to determine the effectiveness of marketing practices and the potential of new markets, and conducts research.

Conducts product demonstrations and promotional campaigns.

Gathers data and analyzes cost and product information.

Establishes contacts to promote economic development activities.

Provides guidance and advice on marketing programs and products.

Consults with current and potential customers in identifying and recommending new products and product enhancements.

Measures the effectiveness of marketing, advertising, and communication programs and strategies.

Participates in the development of new markets to sell or assist others in selling their products.

Prepares demonstration materials for conferences and conventions.

Assists in developing, planning, and implementing marketing programs and promotional and merchandising strategies.

Assists with the development of marketing plans to complement statewide marketing goals.

Performs related work as assigned.
GENERAL QUALIFICATION GUIDELINES

EXPERIENCE AND EDUCATION

Experience in marketing work. Graduation from an accredited four-year college or university with major coursework in business administration, marketing, communications, or a related field is generally preferred. Experience and education may be substituted for one another.

KNOWLEDGE, SKILLS, AND ABILITIES

Knowledge of current marketing and merchandising practices, governing laws, and market reporting procedures.

Skill in conducting presentations to individuals and groups, and in the use of a computer and applicable software.

Ability to develop marketing strategies, and to communicate effectively.
