## Claims Examiner III

### General Description

Performs highly complex (senior-level) disability determination or workers’ compensation work. Work involves researching and reviewing claims and case histories, evaluating data, conducting investigations, and preparing case determinations. May supervise the work of others. Works under limited supervision, with considerable latitude for the use of initiative and independent judgment.

### Examples of Work Performed

- Researches and reviews disability or workers’ compensation claims to determine jurisdiction and to secure proper documentation.
- Reviews requests for appeal actions, evaluates available material, secures necessary evidence, prepares supporting documentation, and reviews determinations and affirms or revises as needed.
- Arranges for consultative examinations to develop sufficient evidence to adjudicate claims and obtains medical or vocational reviews of evidence.
- Assesses individuals’ residual functional capacity and ability to perform past relevant work as a result of alleged impairments.
- Develops physical or mental developmental assessments.
- Develops and conducts presentations.
- Participates and consults in the program planning process.
- Identifies, reviews, and reports cases involving potential fraud.
- Represents the State of Texas in administrative hearings regarding workers’ compensation.
- May serve as a subject matter expert on claims administration.
- May order consultative examinations to investigate undocumented claims and/or clarify medical evidence.
May develop policies and procedures.

May supervise the work of others.

Performs related work as assigned.

**GENERAL QUALIFICATION GUIDELINES**

**EXPERIENCE AND EDUCATION**

Experience in disability determination, workers’ compensation, or insurance. Graduation from an accredited four-year college or university with major coursework in business administration, social work, or a related field is generally preferred. Experience and education may be substituted for one another.

**KNOWLEDGE, SKILLS, AND ABILITIES**

Knowledge of applicable laws and regulations concerning disability determination or workers’ compensation, and of medical and psychological terminology.

Skill in customer service techniques, and in the use of a computer and office equipment.

Ability to prepare determinations or claims explanations, to apply and explain relevant laws, to read and analyze documents, to prepare correspondence, to manage caseloads, to communicate effectively, and to supervise the work of others.
