

# 234 - Fourteenth Court of Appeals District, Houston

Workforce Summary Document Prepared by the State Auditor's Office Classification Team

## State Classification Team Observations

Based on a review of agency statistics and related information, the following items are worth noting:

- Excluding interagency transfers, turnover within the agency (24.3 percent) was higher than the state average (17.3 percent) and higher than the average of Article IV agencies (16.1 percent) during fiscal year 2008.
- While full-time equivalent (FTE) caps are set for the appellate courts, they are for informational purposes only and are not considered a limitation.
- The agency did not participate in the Survey of Organizational Excellence, which is a survey instrument that measures employees' workplace satisfaction and employees' perceptions of the effectiveness of the agency.
- 64 percent of the agency's employees are paid within the third quartile and above of the salary ranges for Salary Schedules A and B.
- 51 percent of the agency's employees are less than 40 years of age.
- 63 percent of the agency's employees have fewer than 5 years of tenure with the agency.
- Classification Compliance Audits:
  - Attorney, Assistant Attorney General, and General Counsel – Reviewed 14 positions; 100 percent were classified correctly (March 2007).
