<sup>c</sup> Job classification and demographic information was prepared from quarterly and year-end summary information received from the Comptroller of Public Accounts' Uniform Statewide Payroll/Personnel System (USPS), the Human Resource Information System (HRIS), and the Standardized Payroll/Personnel Reporting System (SPRS). Data includes classified regular, full-time and part-time employees. Demographic data may appear skewed for agencies with fewer than 50 employees.

## Survey of Employee Engagement<sup>d</sup>

The Survey of Employee Engagement, administered by The University of Texas at Austin, is an instrument that measures employees' job satisfaction and employees' perceptions of the effectiveness of the agency. Scores range from 1 to 5, with 5 being the highest. Overall, the agency's score is lower than the state average and has decreased since the last survey cycle.

### Percent of Employees Who Intend to Leave Within 1 Year<sup>e</sup>

### Overall Employee Satisfaction

<sup>d</sup> Information on the Survey of Employee Engagement was received from the Organizational Excellence Group at The University of Texas at Austin.

<sup>e</sup> Percentage is based on the number of employees who answered the question. The agency noted that the employees may have responded to this survey question referring to their specific work group as opposed to the agency as a whole.
